About Us

MycroKleen has been in operation since 2013. During this time, we have continuously developed and perfected our chemical range in order to meet specific needs which we have identified within the automotive, marine, industrial and household industry.

Our chemicals are manufactured locally with approved raw materials, within South Africa to ensure that they are of the highest quality. We are continually developing new products according to customer demand and strive to meet the needs of our consumers.

GENERAL

MYCROKLEEN 50 DEGREASER

MycroKleen 50 is an all-purpose degreaser that seriously cleans. A superb product, highly recommended for use on mag wheels, stubborn stains on cloth, upholstery or carpets, engines and removing bugs off auto bodywork. Also used as an excellent household degreaser for use in kitchens, bathrooms, garages, etc.

Available Sizes: 1L with trigger, 5L & 25L

MYCROKLEEN 100 DEGREASER

MycroKleen 100 is an all-purpose degreaser that seriously cleans. A superb product, highly recommended for use on engines, workshop floors, kitchen floors, machinery, mining vehicles, pavements, mould, industrial ovens and stoves.

Available Sizes: 1L with trigger, 5L & 25L

MULTI-KLEEN GENERAL PURPOSE CLEANER

GP Cleaner is a general-purpose cleaner used for cleaning almost any surface.

Available sizes: 1L with trigger, 5L & 25L

HANDY KLEEN AMMONIATED CLEANER CITRUS

Handy Kleen is used for stripping of floor coatings. Metallised polymer floor dressings are zinc cross-linked coatings that form a chain, enabling easy strip ability as and when necessary. The ammonia or ammonium salts are necessary in order to break the zinc cross-linked chain, a chemical reaction that destroys the chain enabling easy and rapid stripping of the old coatings.

Available sizes: 1L, 5L & 25L

DECALC FOR TILES & GLASS

Decalc for tiles and glass removes watermarks off tiles, calcium build-up, water spots on glass, great for wash bay areas.

Available sizes: 1L with trigger, 5L & 25L

AUTOMOTIVE

CAR SHAMPOO ORIGINAL

Original Automotive Shampoo is a gentle automotive shampoo that leaves a glossy shine suitable for use with brush machines, high pressure cleaners or hand wash.

Available sizes: 1L, 5L & 25L
